Hmmm?

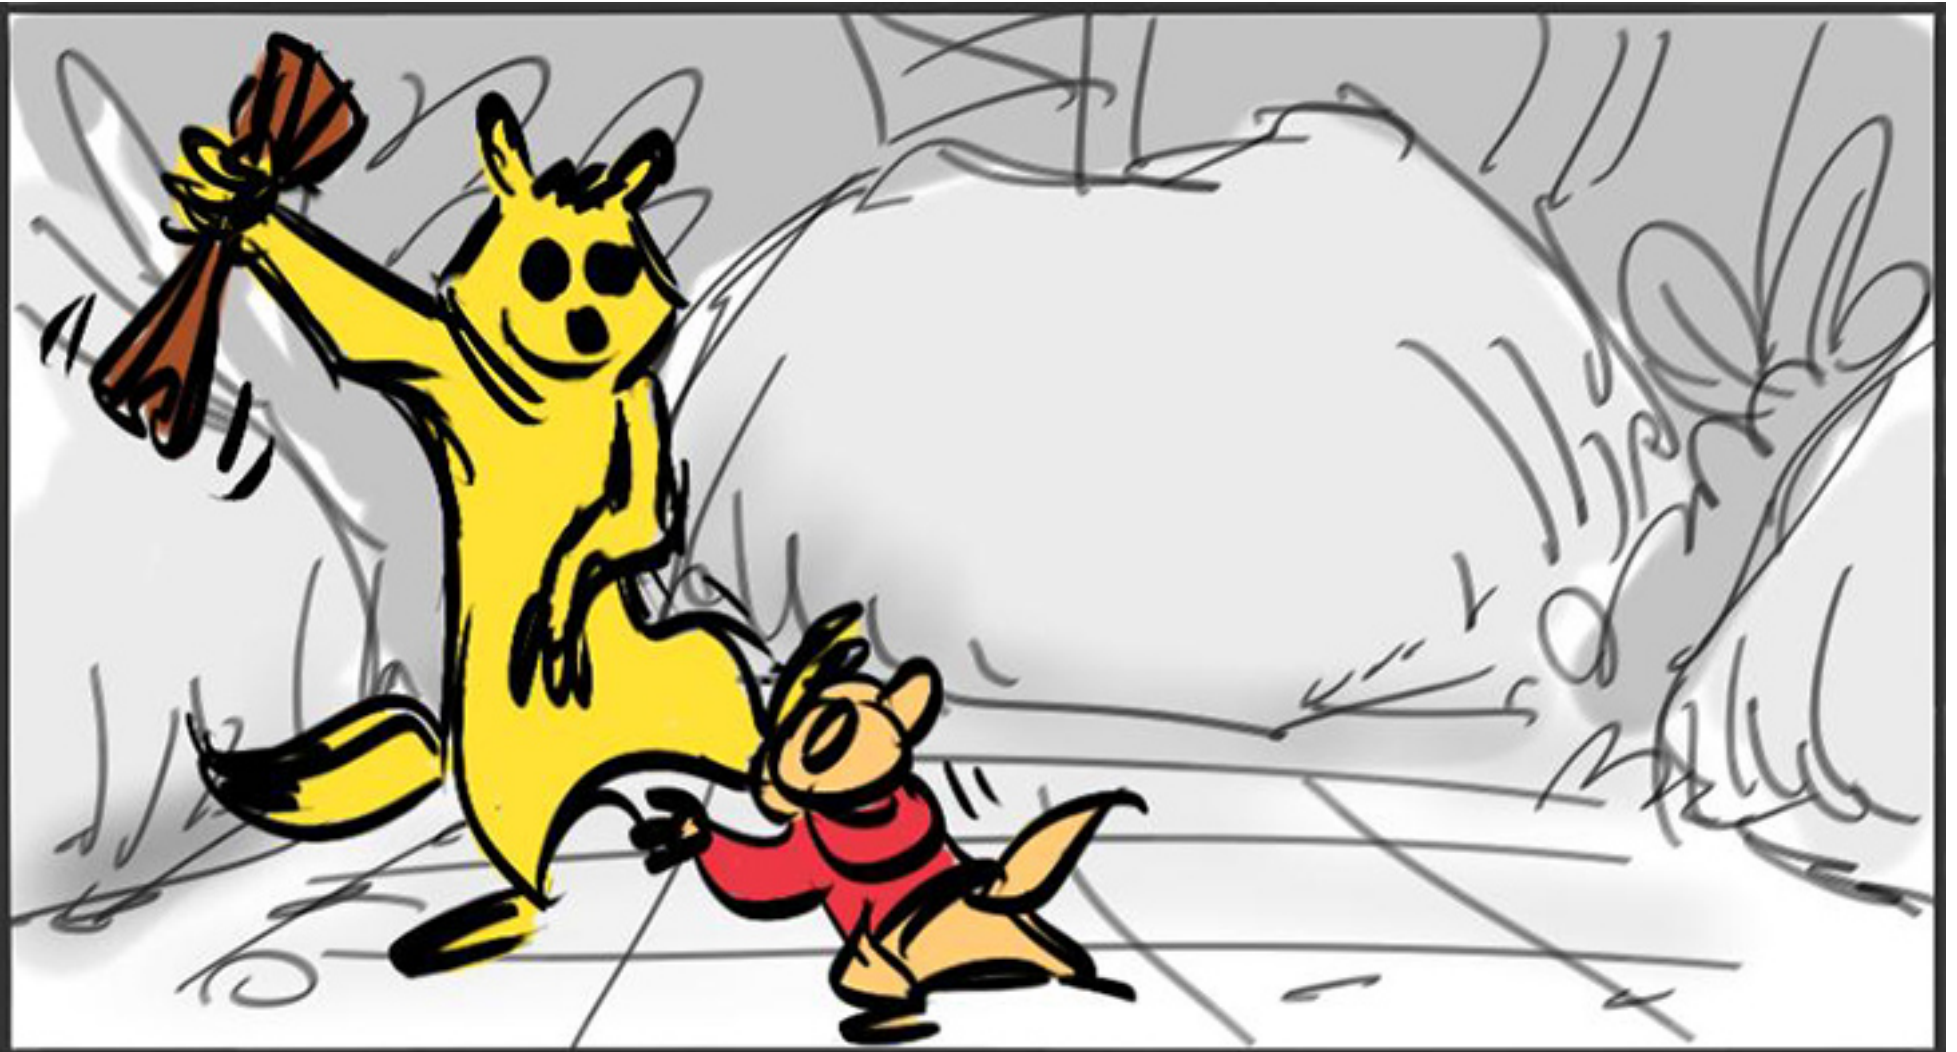

Hmmm?

Hmm?

Meerkat takes alvin's sticks  
Alvin demands them back.

Meerkat holds alvin off with  
foot like a big brother.

Alvin tries harder but Mk  
holds him away with hand

Meerkat offers sticks back

...then holds them away again  
messing with Alvin.

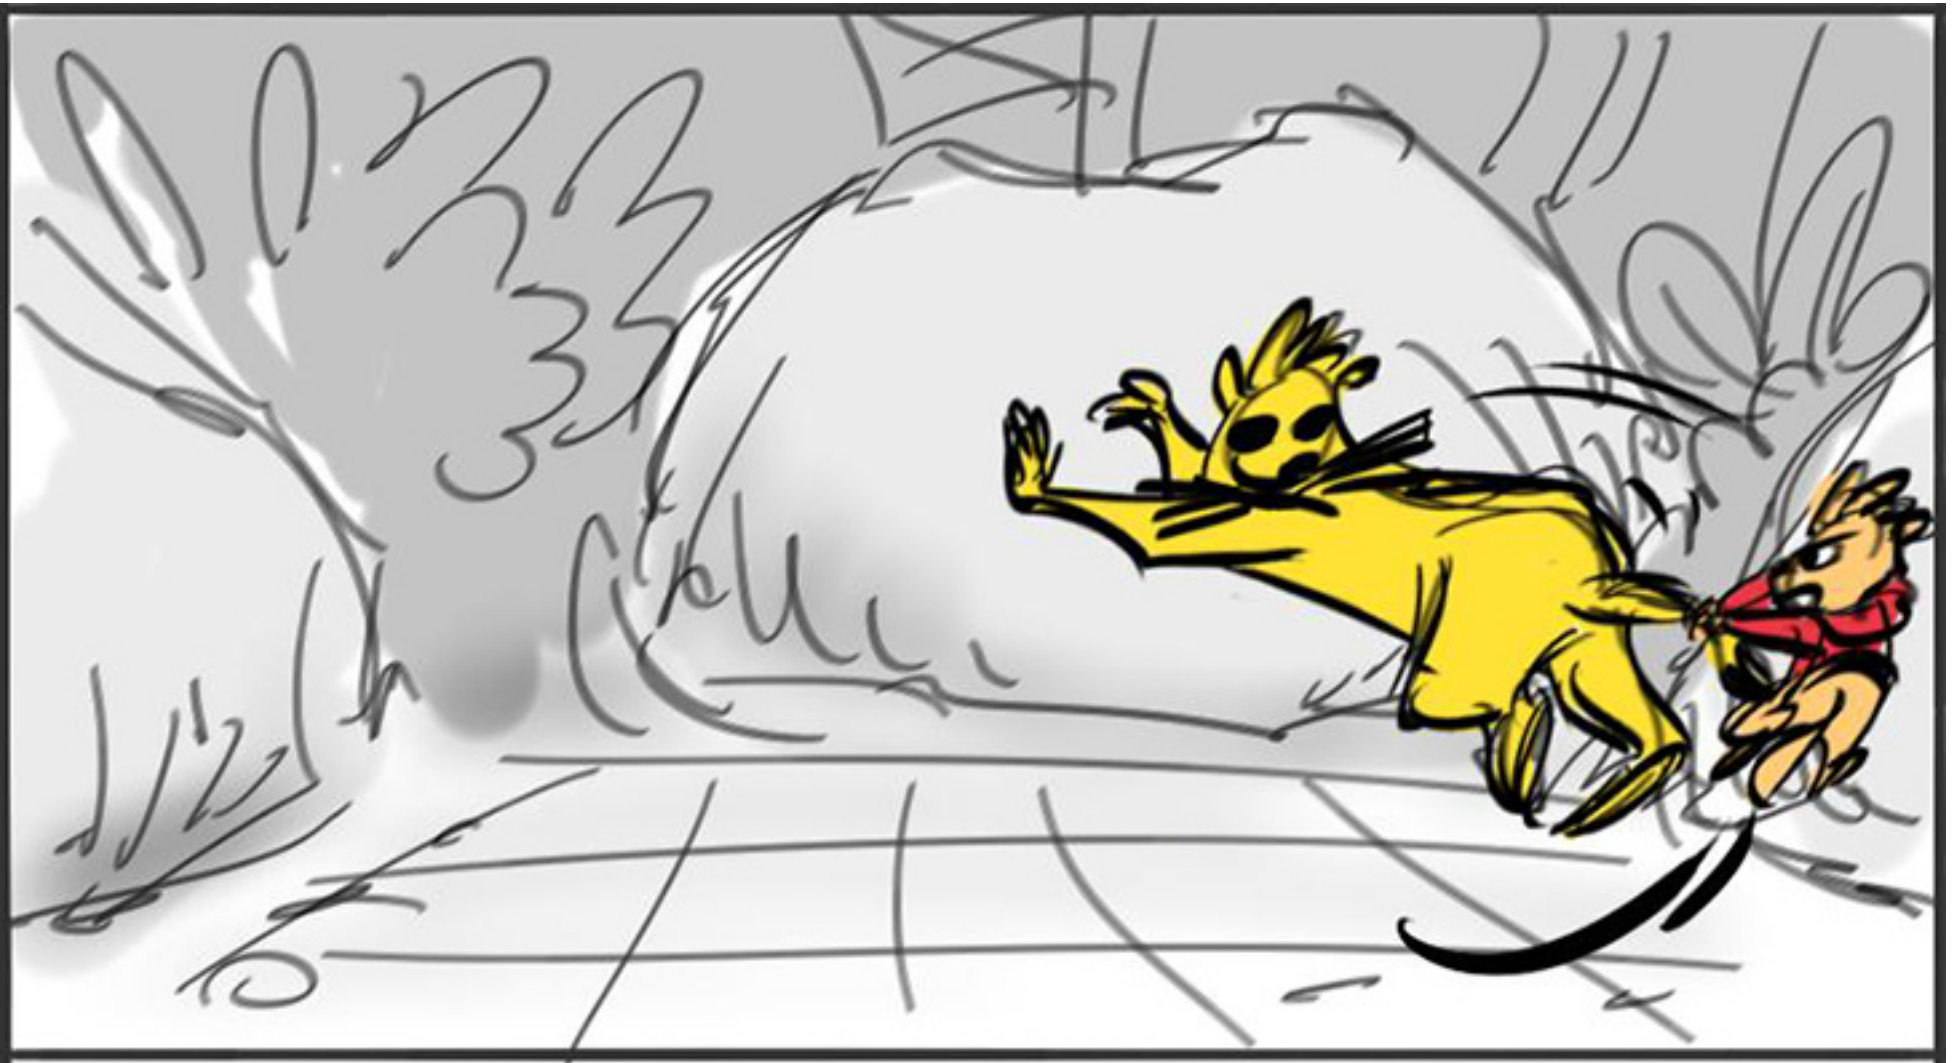

Meerkat then bounces Alvin like a ball on his feet like a circus bear.

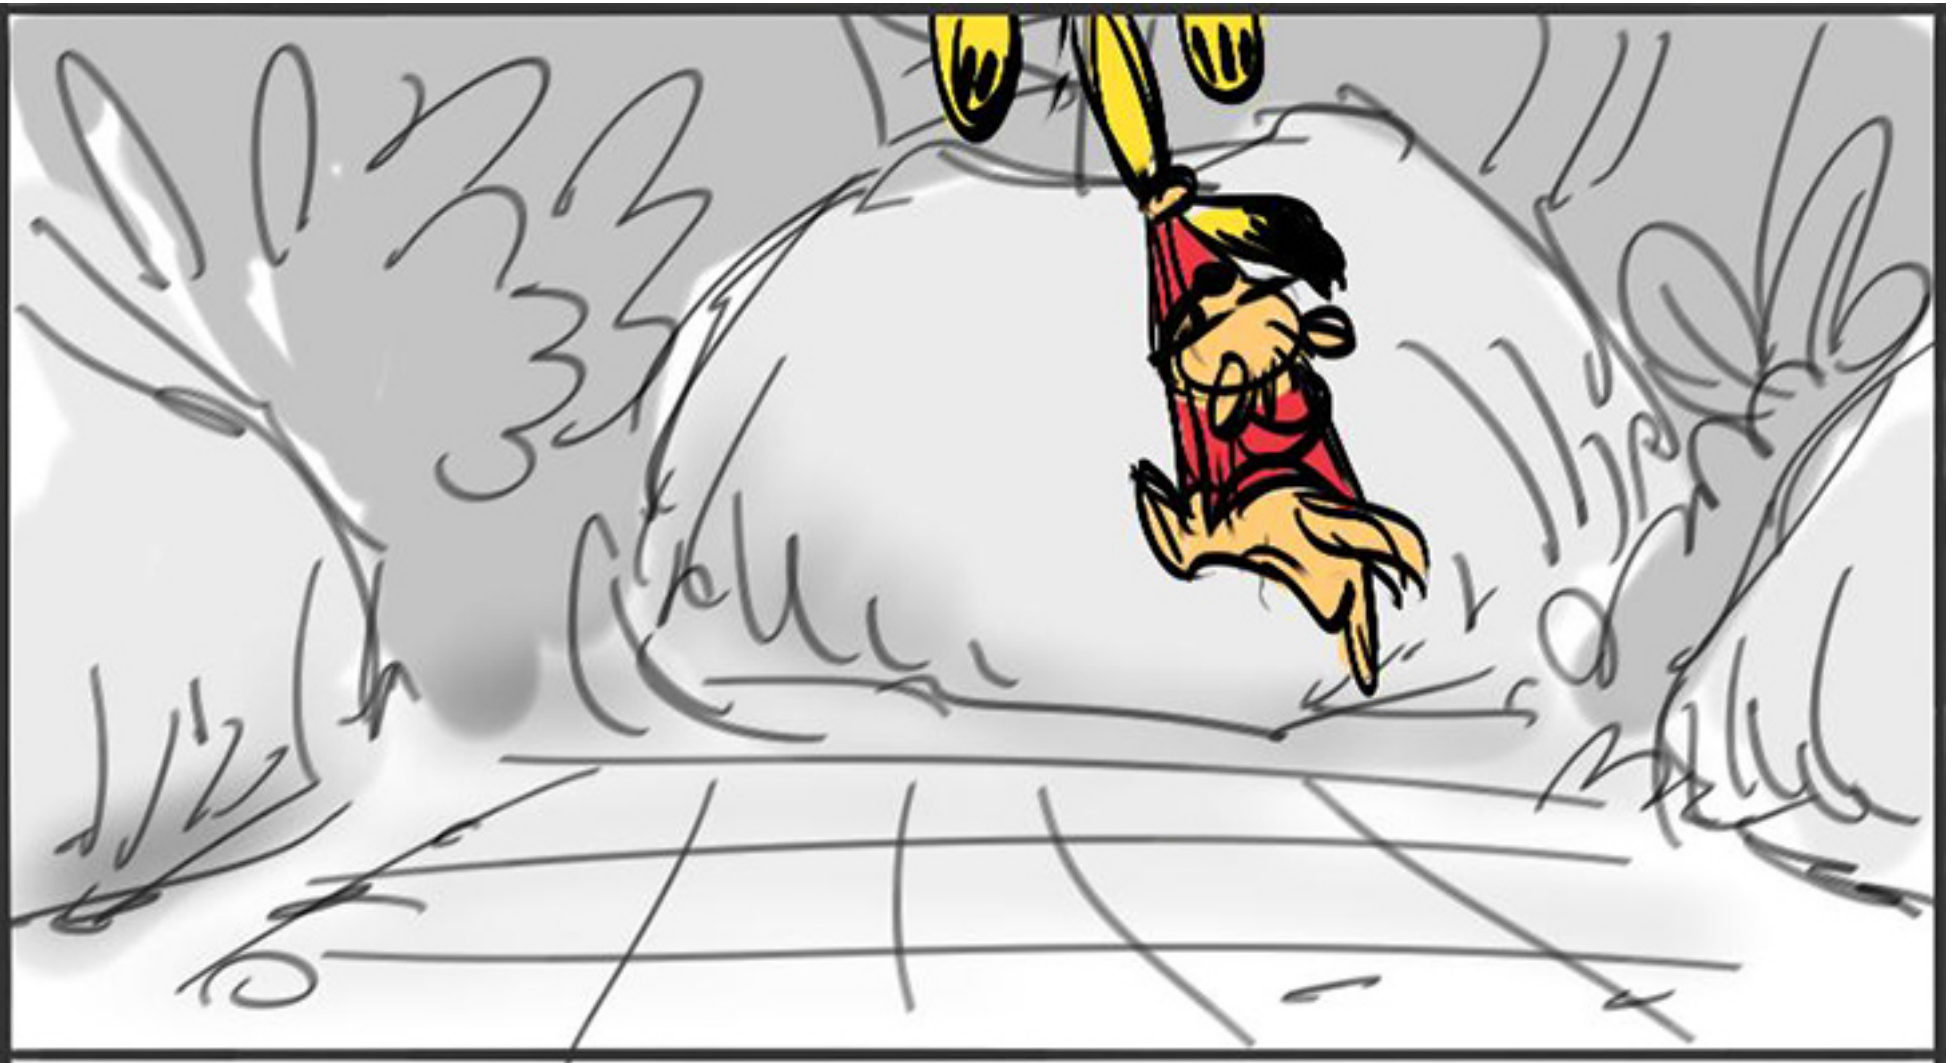

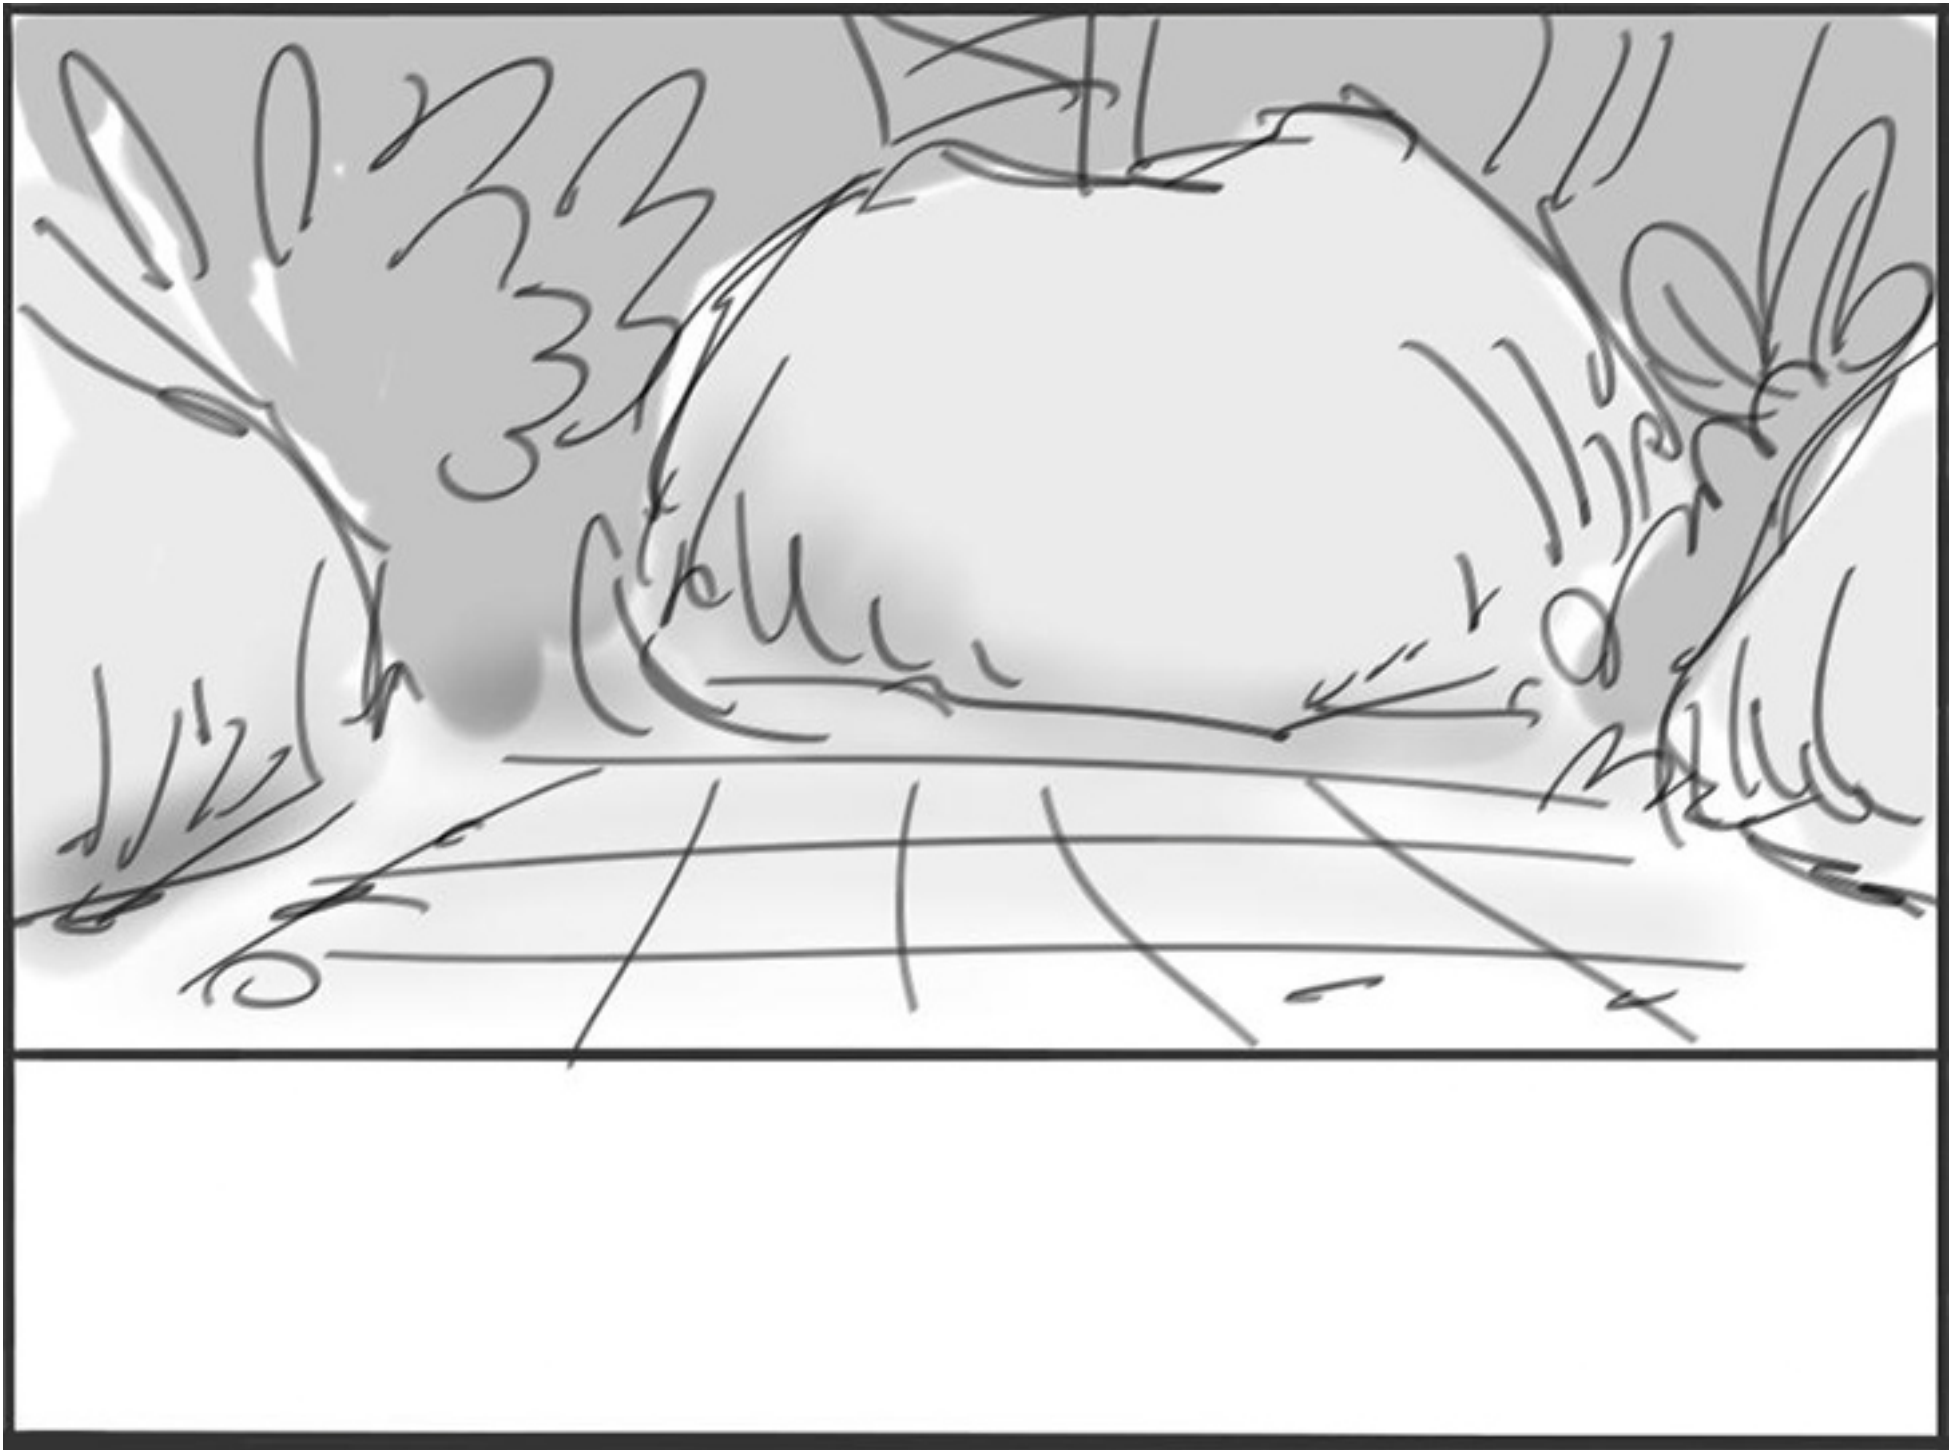

Alvin gets fed up and grabs it  
by the tail trying to get his sticks  
back

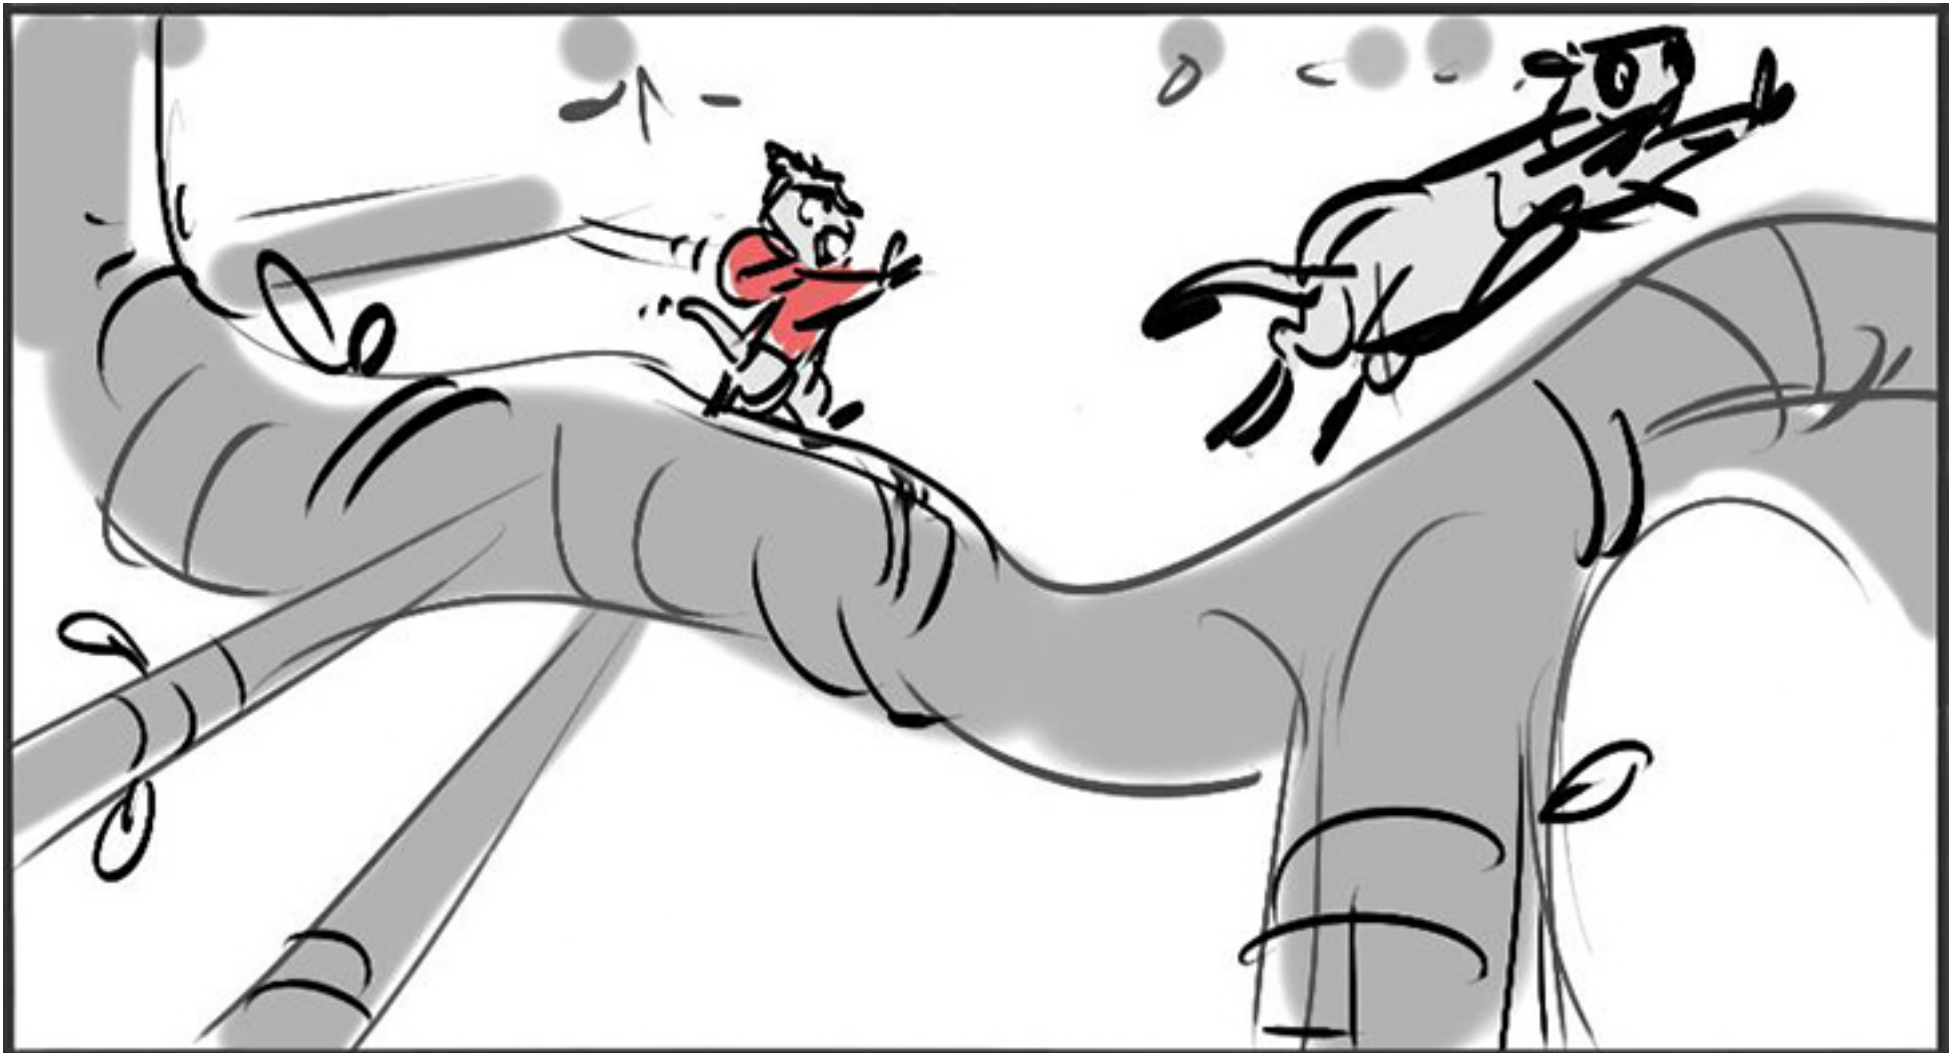

Alvin hangs on as Meerkat  
Jumps up into trees

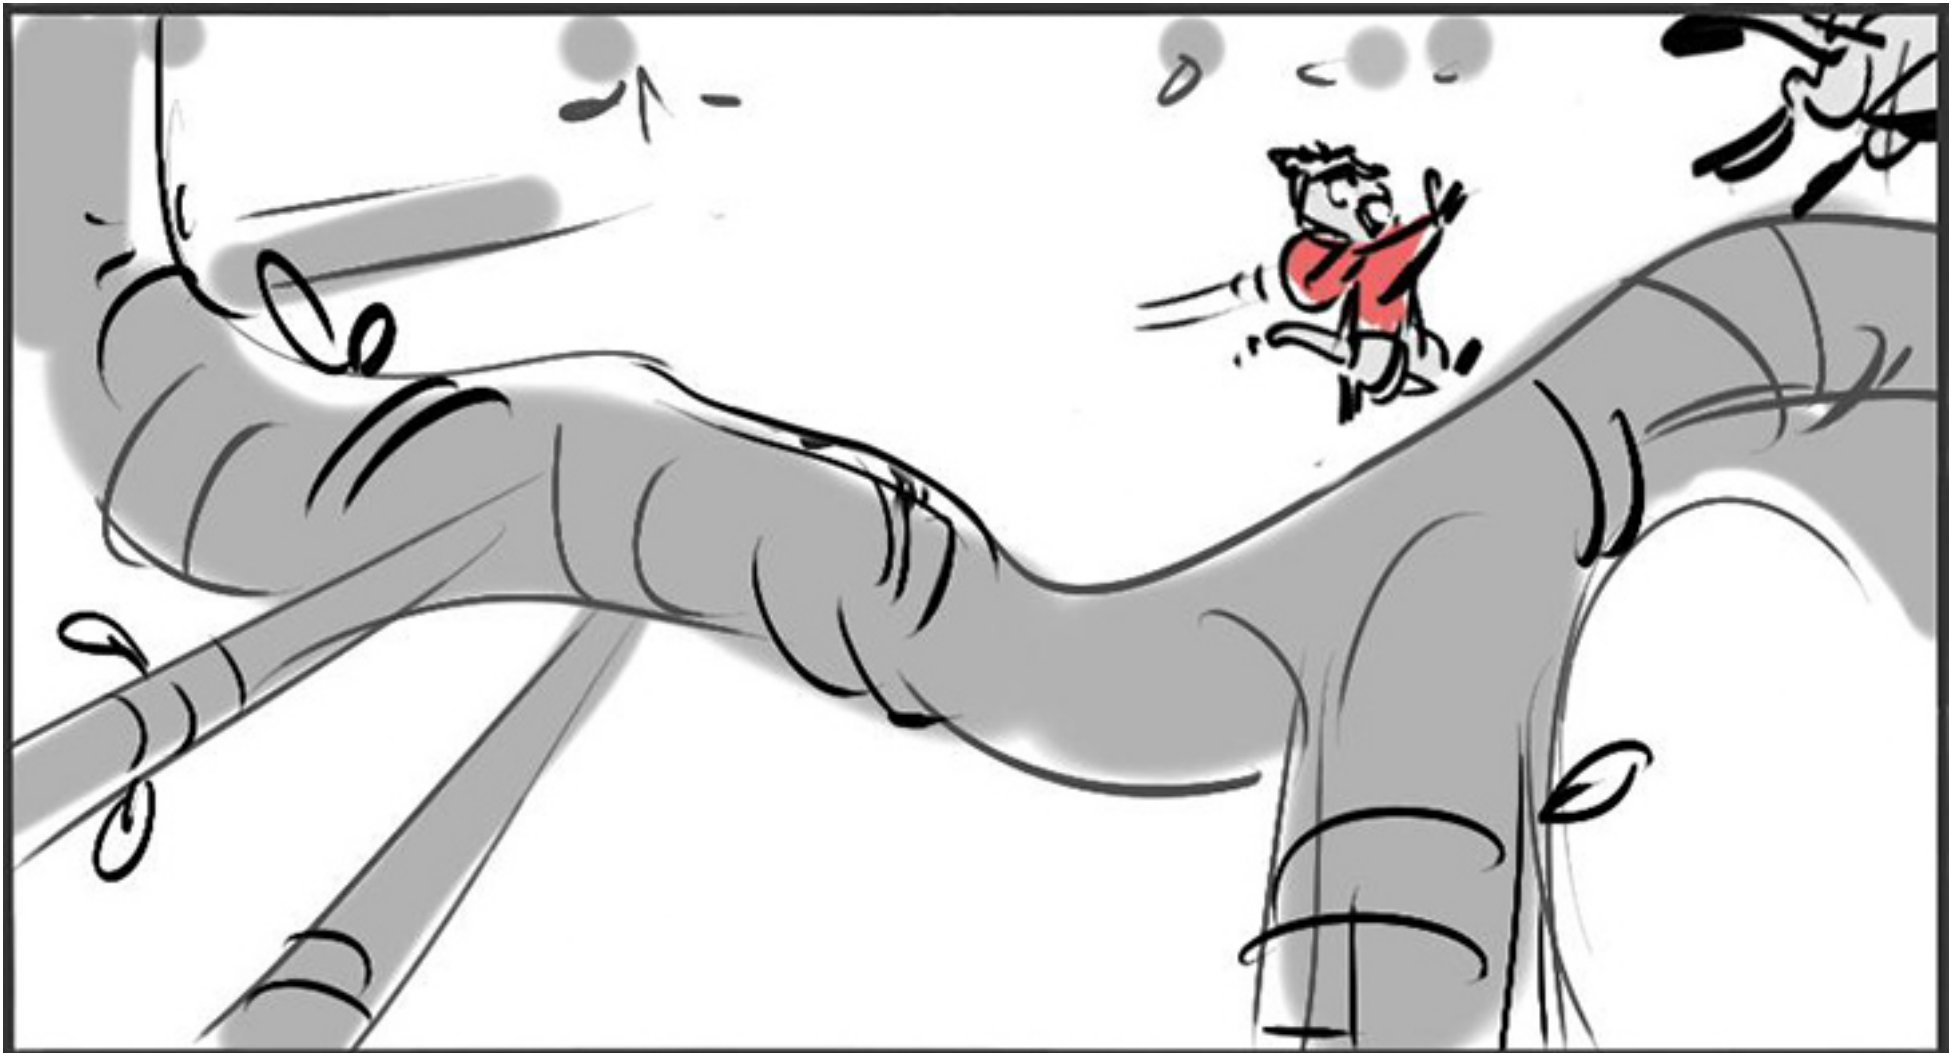

Alvin holds on as they go up.
